**Designing the
Science Fair Project Board**

If the teacher does not require the project board to be done a certain way, the following layout is logical for most experimental projects. Variations in presentation design are sometimes needed with some projects. A list of resources may be included and placed on the bottom of the right panel.

<p>INTRODUCTION</p> <p> </p>	<p>TITLE</p> <p>(OR RESEARCH QUESTION)</p>	<p>PROCEDURE</p> <p> </p>
<p>PROBLEM</p> <p> </p>	<p>PHOTOGRAPHS</p> <p> </p>	<p>CONCLUSION</p> <p> </p>
<p>HYPOTHESIS</p> <p> </p>	<p>DATA</p> <p> </p>	<p>APPLICATION</p> <p> </p>
<p>MATERIALS</p> <p> </p>	<p>RESULTS</p> <p> </p>
